

## Quiz 1B, programming section.

20 points

- Build main layout below (15 points)
- Activity 1 that shows the main layout
- The user enters user name and password (anything is ok)
- the user needs to enter something in both textedits (name/password)
  - when the user clicks on SUBMIT, nothing should happen!
- Layouts should be as close as possible to what you see below: note that Name is right aligned and PASSWORD is left aligned. Also note that login and submit are center and aligned and that Name and Password are not aligned with the LOGIN and SUBMIT
- If the user leaves either of the textedits empty and presses SUBMIT, show a toast message (5 pts)  
`Toast.makeText( context: this, text: "enter your name or password", Toast.LENGTH_SHORT).show();`
